EDUCATION

Government J. Yoganandam Chhattisgarh College | Raipur, India

Bachelor of Arts | GPA: 7.7

May 2025

MATS University | Raipur, India

Master of Computer Applications (MCA) | GPA: 8.5

Aug 2027

Relevant Coursework: Data Structures, Algorithms and Analysis, OOPS, DBMS, Web Development

RELEVANT EXPERIENCE

Digikraft Social | Raipur, India

Nov 2024 - June 2025

Frontend Developer Intern

- Built a B2C automobile website using **React.js**, implementing authentication with **Redux Toolkit** and form validation using **Formik** + **Yup**.
- Styled responsive, modern UI components with **Tailwind CSS** and integrated multiple **REST APIs** for dynamic data handling.
- Contributed to an admin dashboard (**Next.js**) project, focusing on UI enhancements and consistency across pages.

TECHNICAL PROJECTS

Twinstagram — *Full-Stack Social Media App* | Personal Project

July 2025

Tech: React (Vite + TypeScript), Tailwind CSS, Express, Prisma, PostgreSQL, JWT (HTTP-only cookies)

- Built a full-stack social platform featuring **authentication, comments, replies, follow requests, and personalized feed filtering**.
- Handled **media uploads via Supabase bucket storage** with secure backend integration.
- Designed and integrated **REST APIs** using Express and **Prisma with a PostgreSQL** database.
- Developed and deployed RESTful APIs with **Express + TypeScript**, hosted on **Render (backend)**, **Vercel (frontend)**, and **Neon (database)**.
